

Elder Bio for Darrell Ray

I first heard the Gospel at Camp Elim as a junior high student. My friend's parents sent me to Camp with their son. The Seed was planted but didn't sprout until high school. During my high school years, I made a "profession of faith" and got baptized, but it wasn't until a year out of high school that I really got serious about following Christ.

In the fall of 1995, I moved to Littleton (to find a wife!) and started attending LBC. My goal was to find a wife who was interested in serving in ministry together. I met Heather in 1996, and we got married in Spring 1998. We served together in the high school youth group for 6 years until our 2nd child was born. After taking a few years off, we began co-leading the College and Career group in 2006. We served the CNC group for a little over 18 years in total and just passed the group off to LBC leaders in August. That ministry and demographic are our heartbeat; we absolutely love working with young singles! We did marriage mentoring and a lot of unofficial "counseling" throughout our years. We were very committed to the Missions Community group and love and support world missions and Camp workers. I have also been serving on the board of directors for Camp Elim for the past 14 years.

We would have never left LBC on our own, but we absolutely love CBC! There is nothing more important to us than to serve our local church and God's people. We have tried to live out 'every member ministry' to our best ability. I completely affirm our statement of faith and look forward to serving CBC in any capacity.

We have two adult children. Caleb is 25 and lives in east Denver, and Rebecca is 23 and is living in Indonesia.

1 Peter 5:2a Be shepherds of God's flock that is under your care, serving as overseers - not because you must, but because you are willing, as God wants you to be.
