

Bio for Dave Anderson

By God's grace, I was raised in a wonderful Christian home with parents who modeled and displayed genuine Christ-like obedience and faithfulness to the Lord. Around seven years old, I made a profession of faith, and at 16 was baptized.

I started preaching at 17 and entered full-time ministry at the end of my undergraduate. In 2002 I was called to pastor Calvary Baptist Church (Calvary Englewood), in Englewood CO. In 2006 started full time at Littleton Bible Chapel (where Lonnalee was raised). I joyfully served at Littleton Bible Chapel until May of 2026. These were incredible years.

In August of 2026, the officers of Colorado Bible Church called me full time for a teaching elder role, similar to what my role at LBC was. My hearts desire is to study and teach the Bible and make disciples of Jesus. I want to study the Bible and do it; and bring others along with me. Our entire family is excited about this new church, and look forward to what the Lord has in store for us all.

We have three kids—Mollie (18), Ryle (17), and Georgia (13).
