

I was born in Colorado and was blessed to grow up in a faithful Christian family that prioritized home education, apologetics, service, and hospitality. During my high school years, I was challenged to make my faith my own, and I have seen the Lord's work and blessing in my life as He has continued the work of sanctifying my heart.

Toward the end of high school, I met my future wife, Katie, and together we attended Ravencrest Chalet, a Torchbearers Bible school in Estes Park. We later married and worked on staff there together, ministering to young adults—a ministry we still find so much joy in. You know Katie is a rockstar if you've ever met her. I wouldn't be half the man I am today without her biblical wisdom, encouragement, and support.

The Lord has blessed Katie and me with three children. If I had to describe our family culture, I'd say we love quality time, we love showing hospitality, and we love to be silly with each other.

My wife and I own a couple of small businesses, and for the last couple of years we have served together at church with the young adults through teaching and mentoring. I have also served in music ministry and participated in worship teams for many years.

Through my theological training in biblical counseling and the Littleton Bible Chapel School of Ministry, I developed a particular interest in helping people understand Scripture. I have also grown to see how a "renewed mind" can bring about life-giving transformation as we bring our lives into submission to Christ's truth.

I am grateful for the opportunity to be considered for deaconship and would be honored to serve the church in whatever ways are useful, helping strengthen its ministry and care for its people.
